Supporting the Next Generation of Leaders

As we celebrate another year of the Jerome & Janet VanderHorst Scholarship Program, we are reminded of the lasting impact that education has on individuals, families, and future generations. Few investments offer a greater return than helping someone pursue their dreams, develop their talents, and create new opportunities for themselves and those around them.

At Penn Global, we believe success is built on more than business—it is built on family. Supporting the educational goals of our children, grandchildren, and loved ones reflects the values that have always guided our organization: hard work, personal growth, and a commitment to helping others succeed. Through the generosity of the VanderHorst Family Foundation and Penn Global, we are proud to invest in the future of the families who make our organization so special.

To the scholarship recipients, congratulations on this well-deserved achievement. Your dedication, perseverance, and ambition have earned this recognition, and we look forward to seeing the positive impact you will make in your chosen fields and communities. May this scholarship serve as both a resource and a reminder that countless opportunities lie ahead. Thank you to the families who encourage, support, and inspire these remarkable students. Together, we continue to strengthen a legacy of education, opportunity, and service that will benefit generations to come.

It is my honor and privilege to recognize the 2026 recipients of the Jerome & Janet VanderHorst / Penn Global Scholarship Program. Their accomplishments represent the very best of our Penn Global family, and we are proud to celebrate their success.

Warm regards,
